Margaret Feinberg Biography

Integrity has everything to do with wholes . . . the whole person, the whole of creation, the whole of culture, the whole of the church. No writer understands this better than Margaret Feinberg, whose book *Organic God* has been like Listerine to my spirit. Not the kind of sissie-antiseptic that comes in Vanilla Mint, Cool Mint, and rainbow colors. I don't want my Listerine to taste good or look good. I want it to taste awful and kill germs that endanger my soul. Join us for new wisdom about spiritual integrity from Margaret Feinberg.
